Re: Brevard County Florida Drone Documents

Mr. Musgrave,

Your public record request was forwarded to the Records Unit for processing. I am a custodian of records maintained by our business or am a person otherwise qualified to make the representations contained herein as my job responsibilities include the gathering of records pursuant to subpoena or other requests.

A diligent search for the following records was conducted. No records were found as specified in the request.

- **Any requests for proposals, proposals submitted by vendors, contracts, budgets or cost allocations for the purchase and/or use or aerial drones, UAs, UAVs, and UASs.**
- **Any policies, guidelines, manuals and/or instructions on department use of drones, including the legal process required, if any, before operating a drone.**
- **Any departmental records concerning this department's use of drones now or plans to use drones in the future including:**
 - **The types of investigations or instances in which this department is using or plans to use drones, or how it plans to support, manage or oversee the usage of drones by another department or office;**
 - **Policies, guidelines, manuals and/or instructions on storage requirements or procedures for video or static images obtained through use of drones, including retention times;**
 - **The altitude at which drones can or do fly;**
 - **Drones' ability to carry weapons.**

If I can be of further assistance, please do not hesitate to contact me.

Kindest Regards,

Debra Holt
